AirGuide Manufacturing has built over 50 years of trust. Started out as the top pick for construction and retrofit projects in coastal states throughout the U.S., AirGuide manufactures the most reliable, energyefficient and sustainable all-aluminum grilles, registers, and diffusers in the business, serving the worldwide market.

AirGuide Grilles, Registers & Diffusers

Set the reference pressure on your altimeter with the adjustment knob. Enter the sea level barometric pressure, also known as the altimeter setting, at your location. Get this number from the nearest air traffic control tower or flight service station.

Simple Ways to Read an Altimeter: 9 Steps (with Pictures)

This Airguide desk barometer was made by Fee & Stenwedel. It is not in my 1938 Airguide catalog (see the Airguide catalog webpage) but is older than 1956 since it has the F&S logo. I suspect it's from the 1940s. It has an attractive hardwood case, but the performance is mediocre. The dial is difficult to read, not many numbers on it.
