The book was about behaviour in public places and I mean it covered a whole lot of public paces from hospitals, to restaurants to cafes to wakes to sports event ... it's pretty comprehensive but in all honesty, there was not that much there that really wowed me in terms of insight!

Behavior in Public Places by Erving Goffman

Behavior in Public Places. Goffman, Erving 1966. Behavior in Public Places: Notes on the Social Organization of Gatherings. New York: The Free Press. Briefly, a social order may be defined as the consequence of any set of moral norms that regulates the way in which persons pursue objectives. The set of norms does not specify the objectives the participants are to seek, nor the pattern formed by and through the coordination or integration of these ends, but merely the modes of seeking them.
