The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here.

## Cancer Hospital Design Guide

Designing environments for the care and treatment of people with cancer requires a holistic and sustainable approach, encompassing empathy, operational knowledge, and creative design thinking from the architects, interior designers, engineers, and client team.

## HCD Mag

Beyond the specific cancer care areas are general interior design rules that can be applied throughout a cancer center. For instance, colors and lighting can help to change perception of space, alter a patient's emotional state and enhance staff productivity. Generally, people feel more secure in spaces with warm colors.
