The 22nd conference
on Computer Algebra
in Scientific
Computing, CASC
2020, will be held on
Sept. 14-18, 2018 in
the city of Linz, Austria.
Invited Talks We are
proud to present
exceptional
researchers who will
give invited talks at
CASC conference.

Computer algebra system - Wikipedia

Although scientific computing is very often associated with numeric computations, the use of computer algebra methods in scientific computing has obtained considerable attention in the last two decades. Computer algebra methods are especially suitable for parametric analysis of the key properties of
