The Digidoor brand – developed the first product to carry the Digidoor name. This was an electronic garage door opener created for the residential market. It was launched in 1984 and won the Shell Design Award for "Good Product Design" in 1985. The brand grew from strength to strength.

Digidoor Garage Door Motors | Sales, Installation & Repairs

Evening I hope somebody can assist. When trying to open the garage tonight it will only lift the door about 20cm. If I put it into manual ,ie disengage the green piece from the door then it runs to the same spot and just stops even with no load. I know my gate has to be reprogrammed/reset from time to time otherwise it would do the same.
