Health Healing And Beyond Yoga

Health, Healing, and Beyond is the long-awaited study of his application of yogic practices to achieve a union of body, mind, and spirit. Desikachar's father, T. Krishnamacharya, one of the greatest healers and sages of modern Indian history, incorporated many of his country's traditions into the adaptation and teaching of yoga for contemporary society.

Health, Healing, And Beyond: Yoga and the Living Tradition ...

In my experience, classes in yoga focus on breathing exercises (pranayama), physical exercises that 'warm up' the body, then move on to classical asanas and finish with a period of relaxation. Those who explore beyond asanas discover other aspects: yama and niyama, pratyahara, dharana, dhyana and samadhi.
