The 718 Cayman is Porsche's entry-level sports car. It's a two-door, two-seat, mid-engined coupe. With its exquisite balance and handling, it's recognized as one of the best driver's cars on the market; like BMW's M3, it's the sort of gold standard other automakers aspire to beat. The latest generation moved from flat-six engines to turbocharged four-cylinder motors.

Article by Damon Lowney Sidebar by Peter Smith Photos courtesy Porsche Lead image: Cayenne fording a river. It's ironic that Porsche, a company best known for its sports cars, sold more than twice as many SUVs in North America last year. In fact, the automaker sold more Cayennes than 911s, Boxsters, and Caymans combined. The luxury SUV was Porsche's most popular model for years — until ...
