Joel on Software. There's a small number of blogs which I read religiously, and Joel Spolsky's Joel on Software is right at the top of that list. I certainly don't always agree with what he writes, but even when I don't he always makes me think, and I like being made to think.

Joel on Software - Info Support Blog

(Trust me, id software is not about to hire Ed Yourdon to talk about structured analysis.) I carefully studied every bug. Out of 106 bugs we fixed for the service pack release of CityDesk, exactly 5 of them could have been prevented through pair programming or test driven design.
