With a collection of more than 45,000 free e-books, Project Gutenberg is a volunteer effort to create and share e-books online. No registration or fee is required, and books are available in ePub, Kindle, HTML, and simple text formats.

Lmtv Engine

The LMTV was designed as a 4x4 with a 2.5 ton payload. LMTVs typically feature CTIS (Central Tire Inflation System) and the same Cat 3116 turbo diesel engine found in the MTV. CTIS allows the driver to input the terrain they are currently traveling over, which fluctuates the tire air pressure allowing for maximum traction.

The M1082 2.5-ton payload trailer is designed to be pulled by LMTV and MTV trucks.

FMTV History - FMTV Trucks

Engines are Caterpillars (means replacement parts are EXPENSIVE), and the earlier models had issues with their engines. Hubs are finicky as well. Good luck with the electrical system; when it develops a fault, it is very difficult to diagnose. As the other member pointed out, Steel Soldiers is the best online reference source for these trucks.
