More information 1 Perspectives on management

The Business and management is an inevitable part and parcel of the society for which English is the primary source of language. English is the ideal and preferred language in the business...

(PDF) ENGLISH FOR BUSINESS AND MANAGEMENT

Business English, on the other hand, uses formal words that sound professional. If you see a coworker or business partner, you might say “Hello” instead, for example. We also want to be more concise (to the point) in business, which means using fewer words to convey (show) the same meaning.
